Canadian novelist Guy Morton's *Rangy Pete* is one of a trio of westerns he wrote in the 1920s (the other two being *Black Gold* and *Wards of the Azure Hills*). In this one, the Gary Cooper-esque title character, Rangy Pete, goes up against the Dervishers, and outlaw clan that's been stirring up trouble for the peaceable folks of Triple Butte. In so doing, he encounters a beautiful blue-eyed girl-bandit with the Freudian moniker Miss Dick, who promptly throws a lasso around his heart. As the action heats up, the grandeur of magnificent western landscape does battle with the picturesqueness of Rangy's colorful cowboy argot, and the reader comes out the winner.
